TRANSVAAL FUND.

Subscriptions From Americans to Aid Widows and Orphans of the Boers.

In the name of the Afrikaner Bond, on behalf of the citizens of the South African Republic and their noble ally, the Orange Free State, I appeal to all Americans to show their sympathy with the brave people who are now, in the words of John Hancock, literally offering all that they have, all that they are, and all that they hope to be, upon the altar of their country, fighting to the death the arrogance and imposition of the great British Empire, in order to remain free and independent, as did our American forefathers in 1776 and 1812. There will be no floor sounded on the British-American hospital ship.

Send your subscriptions, small and large, to the newspaper which publishes this appeal to forward the same to me, and I will send the amount to Mr. C. C. de Villiers, Cape Town, Hon. Treasurer of the Committee of the Afrikaner Bond, to be extended under the following appeal just received by me.

GEORGE W. VAN SICKEN, 141 Broadway, New York City.

COATED

Look at your tongue. Is it coated? Then you have a bad taste in your mouth every morning. Your appetite is poor, and food disagrees with you. You have frequent headaches and are often dizzy. Your stomach is weak and your bowels are constipated. There's a reliable cure!

Don't take a cathartic dose and then stop. Better take a laxative dose each night, just enough to cause one good free movement the day following. You feel better the very next day. Your appetite returns, your dyspepsia is cured, your headaches pass away, your tongue clears up, your liver acts well, the atmosphere of your system is pure. I have taken Ayer's Pills for 20 years, and I consider them the best made. One will show me more good than half a box of any other kind I have ever tried. Mrs. N. E. Talbot, Arrington, Kans.
